It's Field Day weekend 2016: find a local event, have fun

If you live in North America and have an interest in becoming a ham radio operator, this is the weekend to check out what amateur radio is all about.

Are you ready for Field Day?

I've been working on my set up for portable HF operations for the last couple of months. It is nothing elaborate or even remotely fancy. It does work and that is good enough for me.

VLF, LF, MF experimenters will transmit ARRL Field Day greetings

A number of Experimental (Part 5) licensees — nearly all of them radio amateurs — have been plying the depths of the radio spectrum as the ham radio community awaits FCC action on the new 2200 and 630 meter bands.

Field Day 2016: Activate Off Grid Systems!

Be flexible and understand that Field Day means different things to different people. For some, it's a serious disaster preparedness drill. For others, it's a contest, a public outreach effort, or a picnic in the park with radios.

Checklist for a GOTA station

Special event station K1D to operate satellites on Field Day

In an effort to encourage more kids and their families to get involved in the hobby, the kids at Ham Radio (dot) World are working to put an all-kids Special Event ARRL Field Day station on the air.

New Mexico wildfire emergency threatens some Field Day sites

Amateur Radio Emergency Service (ARES®) volunteers in New Mexico late last week responded to the Dog Head fire, which is affecting Torrance and Bernalillo counties, and that activation continues.
